MADE IN U.S.A.

The seventies have brought about a multiplicity of changes. Demonstrations characterized the decade with themes ranging from anti-pollution to anti-war. In this era, the voting age was lowered from 21 to 18 years. President Nixon made an eight day "journey for peace" when he accepted an invitation from the Chinese to visit their vast country.

The war in Vietnam ended which allowed our American soldiers to return home; however, it was a few years before the prisoners of war were released. During this time, the military "draft" was dissolved.

HOME AT LAST!

America's Energy Crisis

Escalating prices for foreign oil and increasing demands for energy resulted in lowering the national speed limits from 65 to 55 miles per hour, and a request for a conservation of the use of our public utilities. As a result, to help supplement our nation's needs the 789 mile Alaskan Pipeline was built and nuclear power plants started coming into existence.

Vice-President Spiro Agnew vacated his unexpired term of office as Watergate also forced President Nixon to resign his post and Gerald Ford assumed the presidency of our country.

Busing problems plagued some of our major cities. Designed to better educate the school children, it seemed to be doing more harm than good.

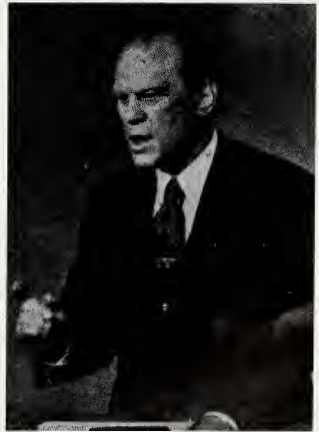

The U.S. Apollo and the Soviet Soyuz space ships docked in space

to symbolize the sharing of knowledge of outer space exploration.

Banruptcy loomed over New York City.

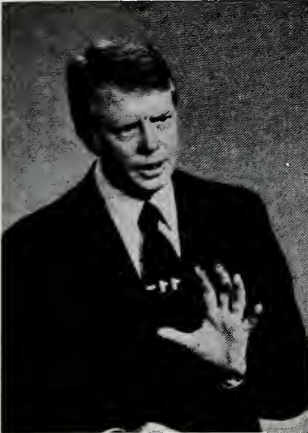

Over 140,000 Vietnamese fled the horrors of their country and set out for new horizons in this country.

Fireworks were sent aloft as our young country celebrated its 200th birthday with pageants depicting the settling of this diverse land.

An ammendment was made banning discrimination against women because of sex, and as a result, there were more women in professional careers. Soon after this, women were admitted to our military academies for the first time.

The unmanned Viking 1 made its first landing on Mars and took pictures and samples of the terrain bringing us a step closer to knowing of what the "red" planet consists.

A strange undiagnosed disease spread through a group of Legionnaires while at a convention in Philadelphia.

Jimmy Carter followed Gerald Ford in the presidency.

The world said goodbyes to "The King of Rock and Roll," Elvis Presley, multi-millionaire Howard Hughes, and entertainers Bing Crosby, Joan Crawford, Charlie Chaplin, Guy Lombardo,

and Groucho Marx.

The United States gave the Panama Canal back to Panama.

More and more people became influenced by religious cults.

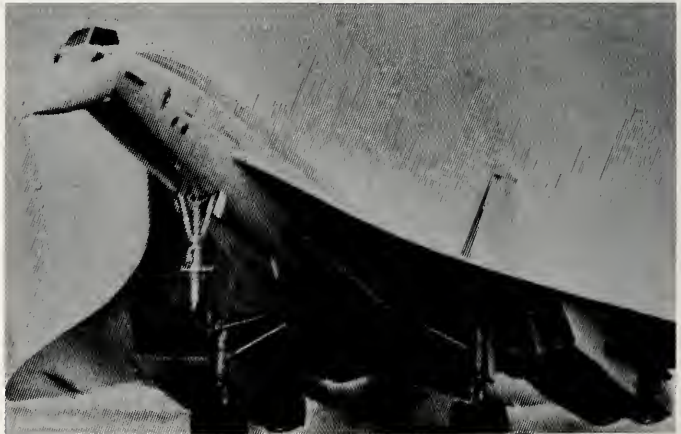

The retirement age was raised from 65 to 70 years.

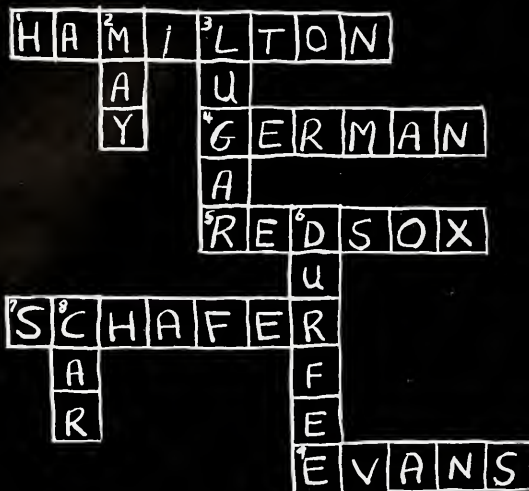

The world's first test-tube baby was born.

The Concorde, a super-sonic jet was constructed to fly from New York to London in about 3½ hours.

During this past year, we remember the traumatic experience of Three Mile Island.

J.V.'s Have Tough Season

The junior varsity football team made it through a tough year. Teamwork with perseverance and a diligent struggle paid off in a 3-4-3 record.

Coach McCann, Coach Sample, and Coach Holwig put their full efforts into developing a stronger team for the '79 football season. Managers Tom Kunetz, Greg Koval, and Pete Brown helped distribute equipment, keep records, and bandage and tape limbs. This year's outstanding players on the defensive line were John Meisner and Mike Horrocks; one of the outstanding offensive runners was John Flynn.

The varsity field hockey team, led by tri-captains Brenda Garrison, Cindy Lafoe, and Michele Pawlak, finished the season with a C.A.C. record of 2-6. For the sixth consecutive year, Miss Seygal had the responsibility of coaching the girls. This year the Coach's Award was received by senior Donna Sellers for her outstanding achievements. With many of the underclassmen returning next year, Coach Seygal is looking forward to a strong season.

Varsity Team Plagued By Injuries

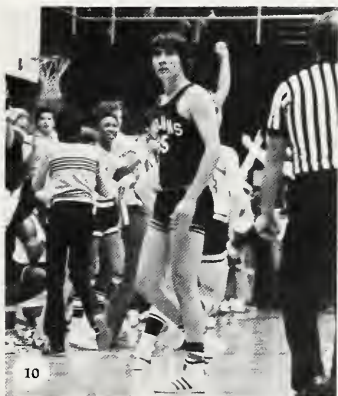

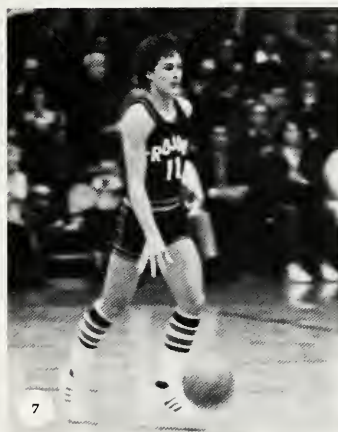

The 1979 varsity basketball team ended its season with a record of 16-9. The team was again coached by the combination of Frank Eichberger and Ralph Lehman. Competing in the Annual Lion's Club Tournament, the boys were defeated by C.D. East in the second round.

Despite some minor injuries, Rick Cramer was the outstanding player for the season. Tim Hester started the year out strong, but his playing was halted when he was taken off the

court and restricted to crutches. It seemed as if around every corner the team discovered a new injury to handicap them. Other valuable players for the team included senior Brian Foust, and juniors Scott Campbell, Scot Conway, Dave Seaman, Kevin Curtin, and Wayne Gordon.

Although the season had its ups and downs, the boys learned the spirit of teamwork—the most important goal of a high school team.

Student Council

The Student Council coordinated a variety of activities this year and attempted to maintain open communications between the students and the administration. One significant project undertaken by the Council involved their efforts to discourage vandalism in the school. In addition, in an attempt to better relations between the Milton Hershey School and Hershey High, a student exchange program was arranged. The annual talent show, dances, roller skating parties, and various assemblies were also sponsored by the Council. Mr. Hartman was again the advisor, while Brenda Witman served as president.

Activities such as the model legislature, which was held in April at the State Capitol, a model U.N., and a model convention were all designed to further the students' understanding of both the state and national governments. President Gus Muller and other members became involved in the simulated processes, and also had the rare opportunity to observe an actual court trial in Harrisburg.

Girls from the high school were given the opportunity to provide love and attention to elementary school children through the Big Sister Club. Each "little sister" had her very own "big sister" to identify with. More than twenty sophomores, juniors, and seniors provided little girls from kindergarten through grade four with "lotsa' love and happiness", ingredients which are ever so important in a child's life. These senior high girls served as "big sisters" by doing such things as helping the younger one with her homework, attending school plays, spending a Saturday afternoon with her, and just showing concern for her.

With the help of both Miss Cranford and Mrs. Spangler, the group

travelled to the zoo, went on picnics, held a Christmas party, and just had fun sharing their time with each other.

The Elementary Aide program is designed to give students who are interested in pursuing a career in elementary education or child care an opportunity to work with teachers and children in our elementary school. The program, directed by Mrs. Gamble, works under the cooperation of Mr. McCarthy and Mrs. Lyman of the elementary building. Aides helped their students with many of the basic subjects necessary for a solid educational foundation. A new dimension was added this year with the introduction of the basic foreign languages, including French, Spanish, and German.

Future Business Leaders Of America

Under the direction of Miss Cranford and Mrs. Gliptis, FBLa once again had a successful year. The officers of the club were President Diane Shenfeld, Vice President Carol Buck, and Secretary Grace Michaels. Attending the State Leadership Workshop, the officers and selected class representatives prepared themselves for the coming year. The organization is designed to prepare the members for a career in the business world.

Some of the club's lighter activities included an excursion to a haunted house; following this the members participated in a hayride.

At Christmas time, the club visited the Alpine Nursing Home, singing Christmas carols through the halls. The business students travelled to Lebanon High School to take part in the Regional Leadership Conference. Here competitions were held in various business skills including typing, shorthand, accounting, and office procedures.

Book Club

The Book Club, though small in number, was still able to share the enjoyment of reading with others as well as enrich their own minds. Under the guidance of Mrs. Bierly, members reviewed various types of books and also looked at new materials in the high school library.

Library Aides

Almost a dozen students served the school as library aides this year. Working during their study halls, the aides assisted Mrs. Bierly with the circulation, shelving, and processing of new books, in addition to helping with the inventory in the spring. Although it seems to be a never ending task, they also tried their best to maintain some sort of order and SILENCE in the library. It's not easy!

German Club

The German Club's purpose this year was to encourage interest in the language and highlight unique and fascinating aspects of the Germanic culture. President Cindy Kaufman and Vice-president Cam Kasales, with the guidance and knowledge of Mr. Snyder, planned activities which included a fall picnic, a dinner consisting of various types of German foods, and a small-scale Mardi gras. Once again, Mrs. Durfee served as advisor to a very active and talented Drama Club. This year's activities provided various opportunities for students to participate in dramatic productions; it created personal interest in drama as an art

form, developed the players' acting abilities and production skills, and served as a social outlet for the group.

The club's largest production during 1978-79 was *MEET ME IN ST. LOUIS*, which ran for three successful performances in January. The dramatists also produced a one-act play for the students in the elementary school.

Club members not only presented a variety of plays, but also held a halloween party, entered a drama festival at a local college, and conducted instructive workshops. All in all, they had quite a productive season.

The main goal of this club is to improve game skills as well as to provide a means for competition among fellow students.

The Boys' Athletic Club, seventy-four members strong, attempted to promote an interest in a variety of sports, such as volleyball, softball, and basketball. Mr. Banta and Mr. Etchberger, co-advisors of the club, hoped that through participation the boys would develop their skills and experience in team effort which will carry over into their adult lives.

The members explored not only the various areas of the fashion world, but also got into nutrition, grooming, fabrics and designing. A fall trip to Reading, a spring trip to New York City, and a few fashion shows were just some of the activities experienced by the group.

Aerobic Dance

Mrs. Nancy Watson, originator of the aerobic dance program in this area, served as instructor for the newly formed aerobic dance club. Mrs. Lynn Kuhn, former home economics teacher and trained aerobics instructor, assisted Mrs. Watson. The purpose of aerobics is to increase fitness through exercise and dance movements set to music. The club met in after school sessions and performed in an assembly program for the girls of the student body.

President Diane Martin, along with Vice-Presidents Robin Hasz and Cheryl Bard, continued in the footsteps of previous clubs in their constant effort to "boost" and maintain the high standards of pride at Hershey High. Members handled the decorating of athletes' lockers, the creation and construction of the Homecoming float, and the sale of the Homecoming flowers. Mr. Sopko again oversaw the club's operations.

The Hershey **BROADCASTER** finished off the year with eleven captivating issues.

Along with the twenty-eight staff members, editor Becky Raham and assistant editor Cheri Hester contributed their time and effort to make the 78-79 **BROADCASTER** a complete success.

This year the newspaper included such columns as a spotlight on patrons, teachers, and students, a movie and record review, and, of course, the well known Roving Reporter.

The group's main goal was to provide the students with an informative paper.

Pete Brown served as foreman for this year's active stage crew, whose duty it was to operate the high school stage and also, in the words of their overseer Mr. Hartman, "to perform duties above and beyond." The crew had to fill a tall order by undergoing construction of all the sets for **WONDERFUL TOWN**, in addition to helping with lighting and staging of all other school assemblies, concerts, and other special events throughout the year.

The A.V. Crew has survived the Women's Liberation Movement undaunted, their nine-member organization is once again a male dominated club. The crew was in charge of video-taping various school programs and sporting events, producing slides, transparencies, and masters.

Under the direction of their advisor, Mrs. Keefer, the groups' services were productive. Despite the work, the all male club managed to have a "wild and crazy" year.

One of the largest first-year clubs, the group attempted to improve their biking skills, learn proper care and simple maintenance of the bicycle, and simply enjoy the fun of bike hiking together as a group. Many members participated in a few planned hikes during the fall and spring—as you can imagine it was a bit difficult to ride through our snowy and blustery winter.

The 1979 CHOCOLATIER staff worked many long hours developing our yearbook, "The Last of the Seventies." One period each day, as well as many after-school hours, was devoted to the production of our book. Ms. Fantino served as advisor for the third consecutive year. This year's Editor-in-Chief was Michelle Gill. Approving the copy throughout the entire book was the job of our staff's Copy Editor, Ruth Durand. Rob Hudson, Layout Editor, checked each page to make sure every picture was posi-

tioned just right. The section editors were as follows: Clubs and Organizations, Judi Fuller; Faculty, Robie Haines; Seniors, Kathy Kelly; Special Events, Paula Jones; Sports, Bruce Cary; Underclassmen, Becky Wright. Jack Bogrette was seen throughout the year snapping pictures of both students and faculty in his capacity as Photographer. Linda Moore busily typed all of the copy for the staff. The duty of securing patrons rested on the shoulders of the Business and Financial Manager, Joe Soto. Other members

of the staff, responsible for writing copy and designing layouts, were seniors Nancy Cole, Judy Geder, Jim Hadfield, Gwen Timmins, and Laura Wills, and juniors Peggy Boyd, Allison Hildebrandt, Greg Koval, and Kathy Shaak.

Thanks to the efforts of our staff, the special events of our todays can become the memories of our tomorrows.

The 1978-79 Speech Club attended many competitions, making excellent showings at all of them. At the District Competition, Sandy Kreig, Doug Mumaw, Afaf Dahir, and Bark Dahir talked their way to states which was held in April at Penn State. With the interest in competing and the experience of the underclassmen, the club is sure to do well in the coming years.

Mr. Sollenberger, faculty advisor for the Shortwave Listeners Club, attempted to introduce the members to the popular world of shortwave broadcasting. Club discussions focused on the various aspects of shortwave reception and types of equipment. Students were also afforded the opportunity to observe a working shortwave hook-up.

Majorettes And Honor Guard

This year's majorette squad consisted of seven twirlers who were led by head majorette Cheryl Bard. The girls worked hard to perfect their feature number "Basin Street Blues". They participated with the marching band in the half-time show, parades, competitions, and the Dogwood Festival Parade in Virginia.

Under the command of Color Guard captain Kim Kopenhaver, this year's Honor Guard consisted of three flags and three rifles. During the half-time show they presented the American flag, the state flag and the school flag to the song "Battle Hymn". The song "Bugle Call Rag" featured Kim as solo saber twirler.

The majorettes also competed in five Winter guard competitions, in which they proudly received three first place trophies.

The guard received a second place trophy in the Middletown competition, and performed with the band in the Chocolate Town Invitational.

In the spring, the guard practiced hard to prepare for the Dogwood Festival Parade in Virginia.

Their busy schedule was filled with football appearances, competitions, local parades, Band Day at Gettysburg College, and a trip to Charlottesville, Virginia to attend the Dogwood Festival Parade. At the Middletown competition they earned the second place award. Pres. Terry Swope, along with his twelve member council, worked hard to plan all of these activities.

On the field, leading the marching routine, were drum major Joe Soto and assistant drum majorette Ailene Munger, whose duties included directing and disciplining the marching band.

One branch of the main band was the concert band, whose purpose was to study and perform standard concert band repertoire. Their activities included a Halftime Review concert, Mid-Winter and spring

concerts, and a Pops concert. They also served as Host Band for the Dauphin County Band Festival.

Other specialty groups were the Stage Band and Percussion Ensemble. Both were featured throughout the year in concert and assembly performances playing music characteristic of their own particular style.

Senior Chorus

With eighty strong voices, the Senior Chorus had an active and productive year. Directed by Mr. Schafer, the chorus sang in their annual Christmas Festival, at the tree lighting ceremony in the Capital rotunda at Harrisburg, and on WLYH-TV on Christmas Day.

Various members of the group served as the backbone of the cast of **WONDERFUL TOWN**. In April, the entire chorus was honored by a request to perform at the Hershey Convention Center before an audience of nearly 1,800. During their stay, they toured the Olympic Stadium in Munich, the Numpfenburg Palace, the Festival Playhouse where the Passion Play is performed, and saw an old-fashioned glockenspiele chime.

The group also enjoyed an evening at the World famous Hofbrauhaus beer hall, and experienced a Swiss fondue party in Lucerne, Switzerland.

In Switzerland, they also took an excursion to Mt. Titlis, which has an altitude of 10,000 feet. The group reached the peak by a system of cable cars which are used by the many skiers who visit there.

they traveled from Innsbruck to Vienna.

On their last night in Europe, the group rode on the first Ferris wheel. The magnificent structure was built for the World's Fair in 1896.

SENIOR SONG "79"

Music by: Ted Zimmerman Lyrics: Linda Waverka Joe Soto

Things have changed;
we're not the way we used to be.
We've grown older,
now it's our time to be free.
In years past,
we've let people run our lives,
now it's our turn
we've just begun to feel alive.

Refrain: And so we'll try,
to do everything just right.
We'll do our best.
And soon they'll see the light
that shines within us.

As we leave
We say good-bye to all our friends.
And we know
they're some we'll never see again.
But don't be sad
'cause of all the things that we've done,
we have shown them.
We outshined them, everyone.

Facing Graduation
 Faces of old and faces of new,
 People we know and people we knew.
 Growing together then drifting apart,
 Always an ending and now a new start.
 At graduation we all grow nearer
 And all of our friends seem so much dearer.
 And as we say our final goodbye
 Our last embrace and one last cry,
 A "Keep in touch" and a "Promise I will"
 A "Remember when" but, better still,
 A place in my heart you'll always stay,
 This is what's said as we go on our way.

As we come to the end of our
 twelve year search for identity
 We reach the high point in our lives
 when we begin to reflect
 upon the many exciting and
 unforgettable times we shared.

the laughs, the cries, the
 victories, the defeats, the good
 times, and the bad times.

As graduation draws to a close
 we realize the year will be remembered
 differently by each of us
 yet we have each experienced
 moments that will never be
 forgotten or replaced—

The happiness and sadness,
 determination and competition
 were then just reflections of
 adulthood; yet now they are the
 memories of our past.

It is nice to look back on
shared experiences spent with
the friends we grew to love, but
it is more important to look ahead
as we leave high school and
start a new life.

As friends and times will pass
so will the tears of goodbyes.
But like the memories of
yesterday, they will never
be forgotten.

Today we are seniors,
tomorrow we start a new beginning.

We Are Just Beginning.
